Professional Experience:

Digital Marketing Manager | George Maijo Industries Pvt. Ltd | April 2025 – August 2026

- **Led a 14-member digital marketing team** and end-to-end digital marketing activities across multiple Indian markets, driving lead generation, campaign performance and Sales conversion.
- Managed **Google Ads, Meta Ads, SEO, Social media, Landing Pages and CRM/lead-nurturing** workflows, while using GTM, GA4 and Google Data Studio (GDS) for measurement, attribution, reporting and optimization.
- Increased qualified leads by **60% within 3 months** and reduced **CPL by 21%** through audience targeting, creative, budget, campaign and lead-nurturing optimization.
- Improved organic **traffic by 40% within 6 months** through technical SEO, keyword-focused content and landing-page optimization; improved Sales-team efficiency by **25%** and **reduced lead follow-up** time by **50%** through a lead-scoring model.
- Led AEO, GEO and AIO initiatives, leveraging structured content, FAQs, schema markup and AI tools to strengthen search-engine and AI-search visibility.

Digital Marketing Assistant Manager | Redington | August 2019 – April 2025

- Managed digital marketing across **Middle East & Africa**, driving SEO, paid media, lead generation and demand generation.
- Executed **Google Ads, Meta Ads, LinkedIn Ads, SEO, Email Marketing** and Social Media campaigns for B2B/B2C acquisition.
- **Coordinated and collaborated with 30+ team** members across Sales, Front Desk, Marketing, Product and Service teams to improve lead flow and conversion.
- Managed **agencies, vendors and internal teams** for website, analytics, content and campaign execution.
- Developed country-wise marketing plans, budgets and GTM campaigns, **optimizing MQL-to-SQL** conversion through performance reporting and data-driven recommendations.

Senior Digital Marketing Analyst | Acclary Technology | July 2017 – August 2019

- **Managed a 5-member SEO team**, overseeing task allocation, execution, performance reporting and optimization across technology-focused accounts.
- Handled client PPC campaigns, including **Google Ads strategy, optimization, budget monitoring** and performance analysis.
- Managed SEO, SEM, website optimization and **conversion-focused** landing pages to support organic growth and lead generation.
- Implemented GA4, GTM and conversion tracking for accurate campaign measurement and performance reporting.
- Coordinated with **clients, content, design and development** teams to deliver campaigns and data-driven optimization recommendations.

Senior SEM Analyst | SocialHi5 | August 2016 – Jun 2017

- Collaborated effectively as a team player within a 4-member PPC team, contributing to campaign planning, keyword strategy, execution and optimization.
- Created and optimized **Google Ads campaigns, ad groups, ads and keyword strategies** using Google Keyword Planner.
- Managed budgets, bids, ad extensions and campaign optimization to improve conversion efficiency.
- Monitored **CTR, CPC, Quality Score, Conversion Rate, CPL and ROAS** to drive continuous paid-search performance improvements.
- Worked closely with SEO, content, design and client teams to align PPC campaigns with overall lead-generation objectives.

- Improved **keyword rankings and organic visibility** through continuous content optimization, link-building, and technical SEO initiatives.
- Developed and executed backlink acquisition strategies through outreach, **guest posting, directory listings**, niche-relevant placements, and **digital PR**.
- Monitored **backlink profiles, referring domains, anchor text, and toxic/spam** links to maintain a healthy link profile.
- Worked across multiple client websites and coordinated SEO execution with content and development teams.

Digital Project Experience:

- **Website & Landing-Page Measurement:** supported tracking and performance measurement requirements for websites and lead-generation landing pages.
- **Campaign Conversion Measurement:** used Google Tag Manager / Google Analytics and campaign parameters to improve visibility into marketing performance and lead generation.
- **Marketing Dashboards:** created and maintained KPI reporting using Google Data Studio for management and campaign analysis.
- **Lead Funnel Optimization:** connected campaign performance, lead capture, CRM follow-up and lead scoring to improve conversion visibility.
- **AI-Assisted Marketing Analysis:** used ChatGPT and Gemini for analysis support, content structuring, reporting assistance and documentation.

AI Skills:

- Led Answer Engine Optimization (**AEO**) by structuring content, FAQs, and schema to rank for featured snippets and answer-based search results.
- Implemented AI Optimization (**AIO**) using AI tools to improve content relevance, intent matching, and semantic clarity.
- Executed Generative Engine Optimization (GEO) to enhance brand visibility in AI-generated search responses and summaries.
- Monitored performance and optimized content based on search, AI visibility signals, and engagement metrics.
